

The Indiana Family and Social Services Administration Division of Mental Health (DMH) provides funding support through managed care providers (MCPs) to assure that mental health and addiction services are available to low-income Hoosiers:

- ◆ adults with serious mental illness
- ◆ children and adolescents with serious emotional disturbance
- ◆ persons of all ages with chronic addictive disorders
- ◆ persons with a gambling disorder

Each MCP offers a full continuum of care including: 24 hour crisis intervention, outpatient services and financial management counseling for persons with a gambling disorder.
